

# RESTRAP

TECHNICAL BIKEPACKING GEAR

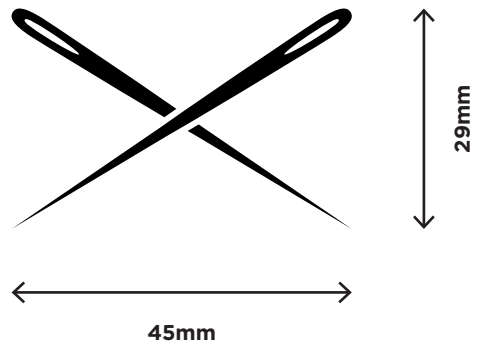

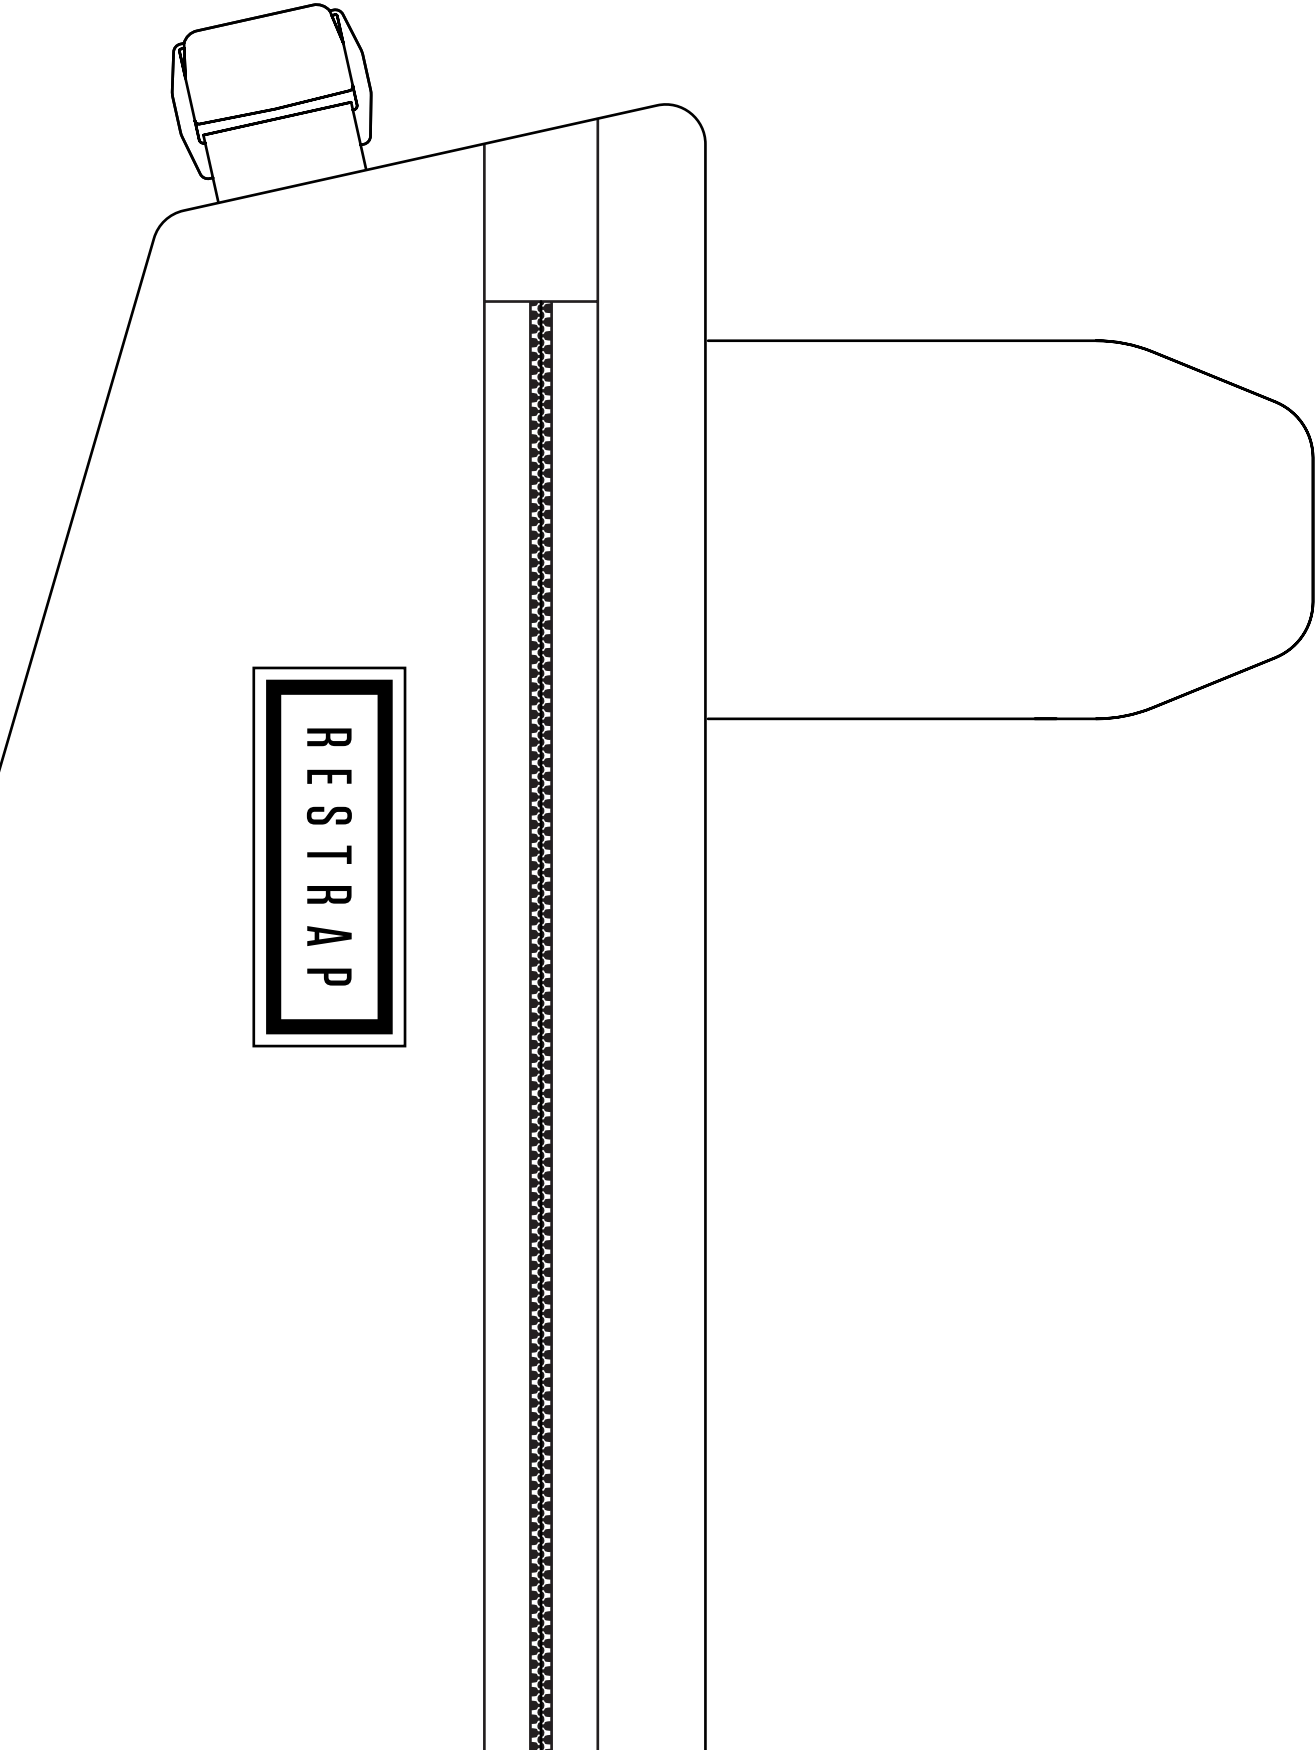

• Print this document on A4 paper (21x29.7cm) making sure that it is at 100% scale.

• Measure both sides of the crossed needles to verify the scale is accurate.

• Assemble the prints according to the numbered guide on each sheet, ensuring the registration marks lay on top of each other.

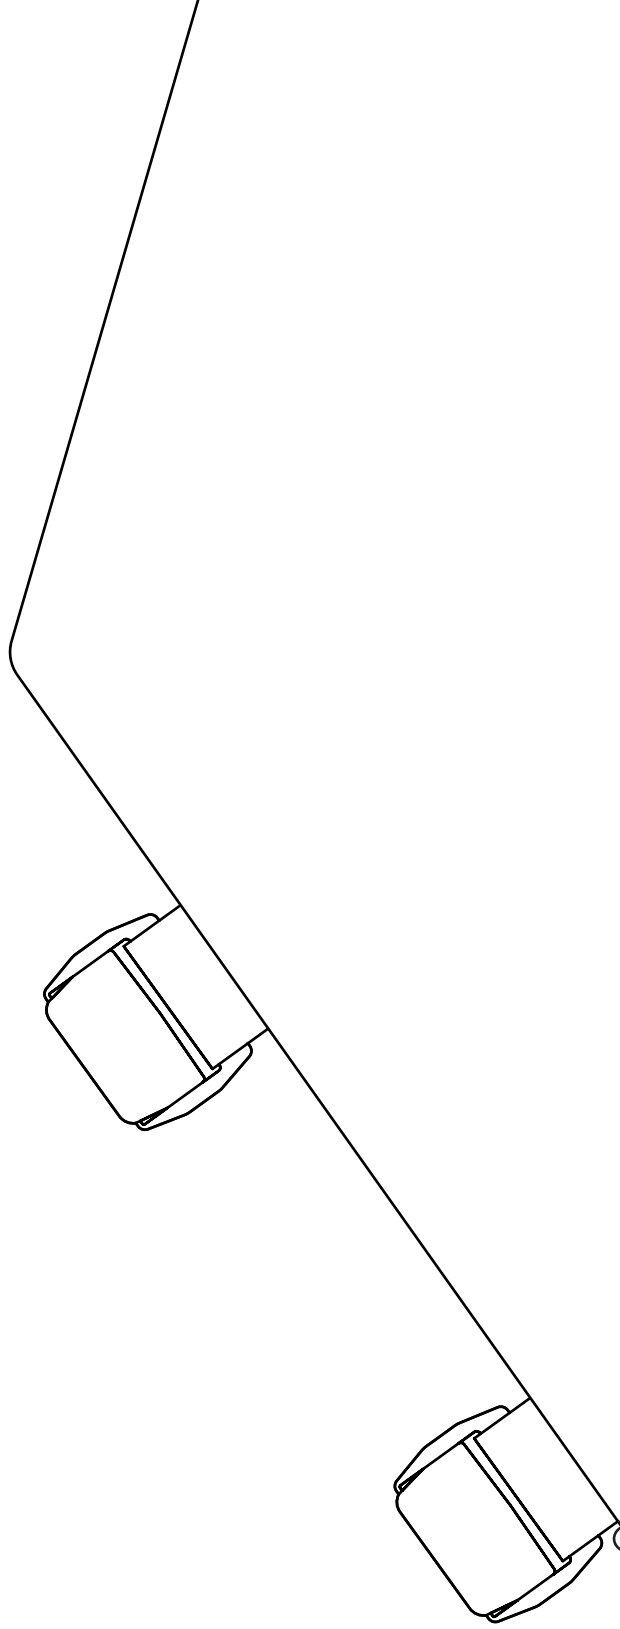

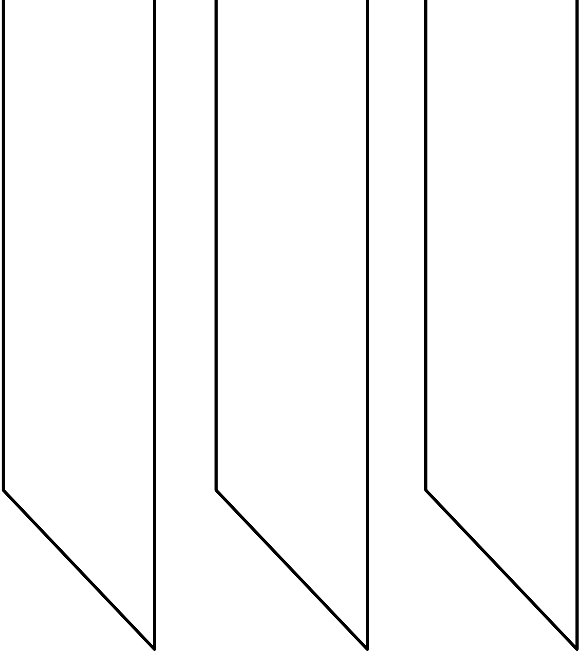

• Tape the sheets together, then cut along the bag's outline for a physical representation of our bag's shape and size.

NUMBER GUIDE

RESTRAP  
TECHNICAL BEKPACKING GEAR

- Fold this component on 2/3 paper (24x36 cm) and cut along the lines.
- Measure both sides of the material needed to make the straps to ensure they are the same length.
- Assemble the parts according to the instructions and use the provided buckles.
- Tape the straps together from the top and bottom ends for a finished appearance and to keep the straps in place.
